AROUCA

Rio Paiva

Rede Natura 2000

An aerial photograph of a long, straight wooden boardwalk or bridge crossing a river. The boardwalk is made of light-colored wood and has a railing. On the left side, there are stairs leading up to the boardwalk. The river is dark green and flows from left to right. The banks are rocky and covered with green vegetation and some bare trees. A semi-transparent grey box with rounded corners is centered over the boardwalk, containing the text "5 geossítios" in blue.

5 geossítios

G36 – Garganta do Paiva

G35 – Cascata das Aguieiras

G31 – Gola do salto

G32 – Falha da Espiunca

Prémio Nacional de Arquitetura em Madeira '17
